## 國立清華大學環境保護暨職業安全衛生管理政策

110 年第四次環境保護暨安全衛生委員會通過

本校秉持「自強不息，厚德載物」校訓，致力培育德、智、體、群、美五育兼優，兼具科學與人文素養的領導者和社會公民。

為培育邁向永續發展的綠色校園與國際水準，防止環境污染及職業災害風險發生，有效節能及資源利用，建立健康、安全的校園工作條件。

本校願承諾落實下列政策：

- 一、恪遵法規：遵守環保、職業安全衛生相關法令規章及其他主管機關要求事項。
- 二、預防災害：推行危害鑑別和風險與機會評估，致力於消除危害及降低職業安全衛生風險並落實自主管理與自動檢查。
- 三、健康關懷：預防職業病發生，落實健康檢查、管理與促進。
- 四、採購管理：促進本校與供應商、承攬商之安全合作關係，共同預防災害、保護環境。
- 五、教育訓練：落實環境保護暨職業安全衛生教育與宣導，提升教職員環境安全衛生知能。
- 六、全員參與：鼓勵全體教職員工積極參與職業安全衛生事務，建立一個友善的諮詢環境。
- 七、持續改善：透過安全衛生稽核與管理，持續有效推動職業安全衛生管理系統。
- 八、環境永續：推行校園生態多樣性、負責任的餐飲服務消費、綠色採購、節能減碳、資源回收再利用等校園永續發展方案，打造綠色校園。

## National Tsing Hua University Environmental Protection and Occupational Safety and Health Management Policy

Adopted by the 4<sup>th</sup> Environmental Protection, Safety and Health Committee in 2021

National Tsing Hua University (NTHU) upholds its motto, “Self-discipline and social commitment,” and is dedicated to cultivate our students to become leaders who excel both in science and humanities with a strong background in ethic, intellect, physique, social skill and aesthetics. In order to maintain a sustainable campus with international standard, prevent environmental pollution and occupational risk as well as effectively use energy and resource and establish a healthy and safe campus, NTHU is committed to implement the following policies:

1. Comply with laws and regulation related to environment protection, occupational safety issued by relevant authority.
2. Promote hazard detection as well as risk and opportunity assessment capability to eliminate hazards and reduce occupational safety and health risk by implementing independent management and automatic inspections.
3. Prevent occupational diseases, implementing health inspection and promotion.
4. Cooperate with supplier and contractor to jointly prevent disaster and protect the environment.
5. Promote and implement the knowledge of environment protection, occupational safety as well as sanitation among our faculty members and staff.
6. Encourage all faculty and staff to actively participate in activities that promote occupational safety and the general health by establishing a friendly consulting and knowledge sharing environment.
7. Continuously improve the promotion of occupational safety and sanitation management system through safety and health audit and inspection.
8. Maintaining environmental sustainability by promoting programs designed to develop ecological diversity and to provide responsible catering service, upholding green procurement, energy saving, carbon reduction as well as resource recycling policies to create and maintain a green campus.
